

Neighbors by Ring

Hello Willingboro Community! This is Lt. Ellington from the Willingboro Township Police Department. We are excited to be joining the Neighbors by Ring app in efforts to reduce crime in our Community. This app will allow the Willingboro Police to inform the community of real-time crime and safety events so you can always stay informed. The Neighbors by Ring App also allows you, the user, to see something share something directly with Willingboro Police.

You do not need Ring devices to participate, anyone with any camera system can upload content to the Neighbors App! We are encouraging each and every one of you to spread the word to the community about the Neighbors App.

To download please text "jointoday" to 555888 and use the app to: monitor neighborhood activity; share crime and safety-related videos, photos and text-based posts; and receive real-time safety alerts from your neighbors, local law enforcement and the Ring team.

Remember if you see something share something and report it to the Willingboro Police at 609-877-3000.
